EXPERIENCE & PROJECTS

Scioto Precision Components · Columbus, OH **Aug 2025 — Present**

Staff Accountant

- Prepare about 60 recurring and adjusting journal entries each close for a $140 million manufacturer, including accruals, prepaids and inventory reserves.
- Reconcile 18 balance sheet accounts monthly in NetSuite and clear aged reconciling items, closing out three that had carried for over a year.
- Maintain the fixed asset subledger and depreciation schedules for two plants, tying additions to capital project approvals before quarter-end.

Hartwell and Burke CPAs · Cincinnati, OH **Jan 2025 — Apr 2025**

Audit Intern

- Performed cash, accounts payable and revenue cut-off testing for four private-company audits, documenting work papers in the firm's audit software.
- Drafted confirmation requests and tracked responses for a construction client, escalating two unresolved differences to the senior.

VITA volunteer tax preparer

- Prepared 45 federal and state individual returns for low-income households through a campus Volunteer Income Tax Assistance site during tax season.
