Diego Ramirez

Electrical Apprentice | Warehouse Associate

diego.ramirez@email.example • (512) 555-0112

PROFESSIONAL SUMMARY

Second-year electrical apprentice with about 3,400 logged on-the-job hours on commercial tenant finish-out and multifamily projects. Bends EMT, pulls wire, installs devices and lighting and helps terminate panels under a journeyman. Holds a Texas apprentice electrician license, OSHA 10 and a pre-apprenticeship certificate, and is working toward the journeyman exam.

PROFESSIONAL EXPERIENCE

Colorado River Electric Co. · Austin, TX **Feb 2025 — Present**

Electrical Apprentice

- Install conduit, boxes and branch circuits on commercial tenant finish-outs and multifamily buildings, working under a licensed journeyman on crews of four to eight.
- Bent and installed EMT runs along exposed ceilings for a restaurant buildout, keeping offsets and saddles neat enough to pass the owner's walkthrough.
- Pull and terminate wire for receptacles, lighting and panel feeds, labeling circuits to match the panel schedule before inspection.
- Keep daily hours, material orders and tool inventory logged in the company app, supporting the foreman's job cost tracking.

Pecan Street Supply House · Austin, TX **Jun 2023 — Jan 2025**

Warehouse Associate

- Picked and staged electrical and plumbing orders for contractors, learning wire types, fittings and breaker brands used on jobsites.
- Operated a forklift safely and helped run quarterly inventory counts, keeping contractor pickups ready on time.

EDUCATION

Electrical Pre-Apprenticeship Certificate **2024**

Capital Ridge Community College

High School Diploma **2023**

East Austin High School
