PROFESSIONAL EXPERIENCE

Clinical Pharmacy Manager

Apr 2019 — Present

Mississippi Bluffs Health System · Minneapolis, MN

- Lead 22 clinical pharmacists covering medicine, critical care, oncology and ambulatory clinics across two hospitals, including hiring, competencies and annual reviews.
- Chair the antimicrobial stewardship program with infectious disease physicians, running daily prospective audit and feedback and quarterly reports to medical staff.
- Direct the PGY1 residency program, guiding residents through rotations, projects and accreditation reviews.
- Coordinate the drug shortage response with purchasing and prescribers, publishing therapeutic alternatives in Epic within a day of each shortage notice.

Clinical Pharmacist, Internal Medicine

Jul 2014 — Mar 2019

North Star Regional Hospital · St. Paul, MN

- Rounded daily with internal medicine teams, recommending dose adjustments, renal dosing and de-escalation of broad-spectrum antibiotics.
- Ran the pharmacist-to-dose vancomycin and aminoglycoside service, writing the protocol and training staff pharmacists to cover nights and weekends.
- Precepted pharmacy students and residents on internal medicine rotations, including topic discussions and evaluations.

Staff Pharmacist

Jul 2012 — Jun 2014

Lake Superior Community Hospital · Duluth, MN

- Verified inpatient orders and checked sterile preparations in a community hospital, covering evening shifts as the sole pharmacist.
- Helped prepare the pharmacy for a state board inspection by updating compounding records and cleaning logs.
