PROFESSIONAL SUMMARY

Newly licensed community pharmacist and PharmD graduate with three years as a pharmacy intern in a high-volume chain store. Verifies prescriptions accurately under pressure, counsels patients clearly in English and Mandarin and gives immunizations under Texas protocols. Looking to grow into a pharmacist-in-charge role while expanding clinical services such as medication therapy management.

EXPERIENCE & PROJECTS

Cedar Park Neighborhood Pharmacy · Austin, TX **Jul 2026 — Present**

Staff Pharmacist

- Verify and dispense prescriptions in a store filling about 350 a day, supervising three technicians and a pharmacy intern on each shift.
- Administer influenza, COVID-19 and shingles vaccines under standing protocols, documenting doses in the state immunization registry.

Cedar Park Neighborhood Pharmacy · Austin, TX **May 2023 — Jun 2026**

Pharmacy Intern

- Counseled patients on new prescriptions and inhaler technique under pharmacist supervision, with Mandarin counseling for the store's Chinese-speaking patients.
- Resolved rejected insurance claims and started prior authorization requests, cutting the number of prescriptions left waiting at pick-up.
- Completed comprehensive medication reviews for Medicare patients by phone, flagging duplicate therapy and dose issues to the pharmacist for prescriber follow-up.

APPE rotations

- Completed advanced practice rotations in internal medicine, ambulatory care, community practice and a specialty pharmacy, presenting two patient case reviews to preceptors.
