Jasmine Reyes

Registered Nurse, Medical-Surgical ICU | Registered Nurse, Cardiac Telemetry

jasmine.reyes@email.example • (713) 555-0168

PROFESSIONAL SUMMARY

CCRN-certified ICU registered nurse with seven years of acute care experience, including four in a 24-bed medical-surgical ICU. Experienced with ventilated patients, titrating vasoactive drips, CRRT and post-cardiac arrest care. Holds a Texas multistate compact license and serves as relief charge nurse and preceptor.

PROFESSIONAL EXPERIENCE

Registered Nurse, Medical-Surgical ICU *Mar 2022 — Present*

Bayou Medical Center · Houston, TX

- Care for one to two critically ill adults per shift, managing ventilators, vasopressors, sedation protocols and CRRT in a 24-bed mixed ICU.
- Serve as relief charge nurse twice a week, assigning patients by acuity, coordinating admissions with the ED and supporting codes on the unit.
- Precepted nine new graduate and transfer nurses through a 12-week ICU orientation, all completing it on schedule.
- Joined the unit's CLABSI prevention project, auditing line dressings and bundle compliance; the unit went 14 months without a central line infection.

Registered Nurse, Cardiac Telemetry *Jul 2019 — Feb 2022*

Gulf Crest Community Hospital · Pasadena, TX

- Cared for four to five telemetry patients per shift, interpreting rhythms, managing heparin and amiodarone drips and preparing patients for cardiac catheterization.
- Worked COVID-19 surge shifts on a converted step-down unit, caring for patients on high-flow oxygen and proning protocols.
- Developed a bedside heart failure education sheet with the clinical educator, now part of the unit's standard discharge packet.

EDUCATION

Bachelor of Science in Nursing (BSN) — Gulf Coast State University *2019*
